

Sheep & Shawl's 48 last minute book suggestions for someone you know:

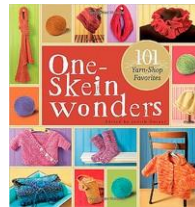

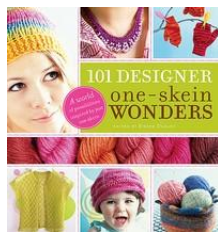

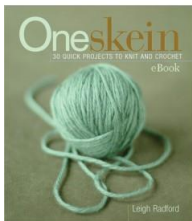

Who might like an in-depth book of patterns for Scarves, Hats, Shawls, or Stitches:

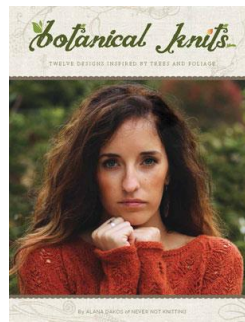

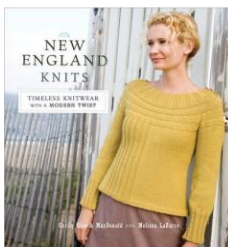

Who is a beginner or already knits but doesn't have a knitter's fix-it guide book or dictionary:

Who has stash with one-skein yarns or likes quick projects:

Who is ready to start a sweater:

Who is a fiber farmer at heart, or just loves to get a new breed-specific handspun skein every year at fiber festivals:

Who has knitting pattern books, but might like a book on the spirit of knitting, why we take pleasure in this craft, funny essays about fiber stashes, and thank yous to knitting mentors we have known:

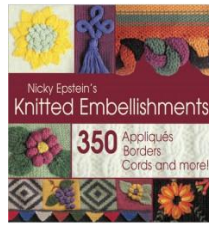

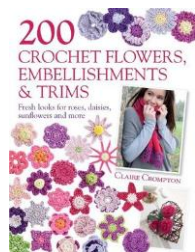

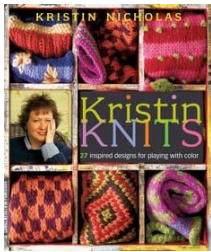

Who is really a designer at heart or likes to look at beautiful knitted creations:

Who likes to knit socks, or is a new sock knitter:

Who is ready for a new challenge- perhaps with embellishments, lace, or colorwork:

Who crochets:

Who has a baby to knit for, whether for their family or a friend's:
